

The Health and Medical Geography Specialty Group (HMGSG) of the AAG wants a new logo!

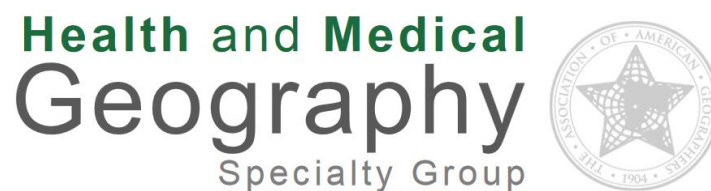

We invite submissions to a special Logo Design Competition. Prizes will be awarded for the 1st (\$250), 2nd (\$100), and 3rd (\$50) place entries.

Our current logos are presented below. While they have served us well, we are looking forward to an opportunity to update the overall appearance of our website, social media sites, and promotional material based on an updated logo.

LOGO 1

LOGO 2

Submission Details

- Submissions must be submitted electronically, but be appropriate for use in both web- and print-based materials
- Acceptable file formats include (but are not limited to) tiff, jpg, png, gif
- Examples of other AAG Specialty Group logos: [Climate](#), [Geomorphology](#), [Cartography](#), [Animal](#), [Black Geographies](#), [Disability](#)
- Submissions should be emailed directly to Paul Delamater (pld@email.unc.edu) with the subject line: HMGSG Logo Competition Submission
- Submissions are limited to 3 per person
- The submission deadline is **December 31, 2022**

Eligibility

- Any member of the American Association of Geographers is eligible to submit

Review

- The winners will be chosen via a popular vote open to all HMGSG members
- The new logo and prize winners will be announced at the HMGSG Business Meeting at the 2023 AAG Annual Conference in Denver, CO

Questions or Concerns?

- Feel free to reach out to Paul Delamater (pld@email.unc.edu) if you have any questions about the competition!
